

### 7.3.1 Institutional Distinctiveness

D. D. Shinde Sarkar college provides to the requirements of under graduate courses with its focus on kindling young minds and nurturing their holistic development. This is replicated in the Mission and Vision of the college. The institution is committed to accomplish its duties towards the country and society at large. The institution wishes the stakeholders to be socially responsible, participatory and committed in providing service to the people as education is not an end in itself, but a means to accomplish certain noble objectives and transmit fundamental values. In order to promote holistic development of its students, the institution has taken several initiatives for various extension activities including community development programmes. This can be identified as one of the most distinctive features of our institution. The extension activities are expected at promoting empathy among the students and make them aware of their duties towards the Nation and Society as responsible citizens.

The institution has many activities to promote, but we would promote our unique activity proudly, that is **Naval N.C.C.**

#### **Response:**

- Allotment of N.C.C to a wait listed institution is subject to authorized strength and training capacity of a N.C.C unit as well as occurrence of vacancy, therefore a specific time period cannot be fixed for a waitlisted institution to get N.C.C
- The Ministry of Defence deals with National Cadet Corps at the national level. N.C.C is the combine activity of central as well as state government.
- In the year 1992, at that time many colleges under Shivaji University had N.C.C units but no Naval N.C.C unit. Students who wanted to pursue a career in Navy had to take admission in places like Mumbai for Naval N.C.C. It was not possible for the students especially girl students in a city

like Kolhapur to walk so far, therefore our founder President Late. Dr. Abasaheb Shinde applied for the Naval NCC unit in our college. The ministry of defence graciously sanctioned Naval N.C.C unit and allotted 50 boys and 10 girl cadets. This unit is inaugurated by Late Brigadier Shivajirao Bhalerao. This unit is working in Kolhapur group head quarter and under 2MAH Naval unit NCC Ratnagiri.

### **A) Mechanism of Scheme:**

- IV) To provide a suitable environment to motivate the youth to take up career in Armed Forces.

### **B) Scheme:**

- N.C.C. is a youth development movement. It has enormous potential for nation building. The motto of N.C.C is **UNITY AND DISCIPLINE**.
- A student enrolled into N.C.C is referred to as cadet.
- N.C.C officer (A.N.O) is the main key functionary of NCC in college. Since NCC is a part of the educational programme the primary responsibility rests with the principal.
