डी.डी. शिंदे सरकार कॉलेज, कोल्हापूर

एकदिवसीय चर्चासत्राचा अहवाल

शनिवार ०८/०९/२०१८

सरस्वती शिंदे एज्युकेशन सोसायटीच्या डी.डी. शिंदे सरकार कॉलेजमध्ये इंग्रजी विभागाच्या वतीने ०८/०९/२०१८ रोजी 'Lead College scheme- Shahaji College Cluster' अंतर्गत एकदिवसीय चर्चासत्राचे आयोजन केले होते. या चर्चासत्राचा विषय होता- 'Career Opportunities in Language & Literature'.

या चर्चासत्राचे उद्घाटन प्रमुख पाहुणे प्रसिद्ध दिग्दर्शक व सिनेट मॅबर श्री. यशवंत भालकर, संस्थेचे अध्यक्ष श्री. चारुदत्त शिंदे, कॉलेजचे प्राचार्य डॉ. पी. आर. शेवाळे, चर्चासत्राच्या समन्वयक यांच्या उपस्थितीत कॉलेजचे संस्थापक प्राचार्य कै. डॉ. आबासाहेब शिंदे यांच्या प्रतिमेचे पूजन करून व रोपट्याला पाणी घालून करण्यात आले. प्रमुख पाहुणे श्री. यशवंत भालकर यांनी आपले अनुभव सांगून विद्यार्थ्यांना त्यांच्या भविष्यासाठी मार्गदर्शन केले. यावेळी प्राचार्य डॉ. पी. आर. शेवाळे यांनी स्वागत व प्रस्तावनापर भाषणात कॉलेजच्या प्रमुख वैशिष्ट्यांवर भाष्य केले. चर्चासत्र समन्वयक कु. स्वाती माने यांनी चर्चासत्राच्या विषयावर प्रकाश टाकला तर डॉ. सी. वैशाली सारंग यांनी उद्घाटन सत्रात आभार मानले.

### प्रथम सत्र

या चर्चासत्राच्या प्रथम सत्रात डॉ. डी.एम. सनदी हे प्रमुख व्याख्याते होते. हा विषय घेण्याची आवश्यकता, साहित्याची आजची स्थिती, आणि आज आपण साहित्यामध्ये काय शिकत आहोत व काय शिकले पाहिजे यावर चर्चा केली. त्यांच्या मते, गुणवत्ता ही दाखवली जात नाही तर बघितली जाते. आतापर्यंत साहित्य शिकलेल्या लोकांनी या क्षेत्रात खूप कमी योगदान दिले आहे. याउलट साहित्याशी संबंध नसलेल्या लोकांनी त्यामध्ये खूप योगदान दिले आहे. आज एम. ए. शिकलेल्या विद्यार्थ्यांसाठी नोकरीसाठी अर्ज लिहिता येत नाही, ही आजच्या शिक्षणाची खंत आहे. यावेळी त्यांनी जी. ए.

फुलकणी, जगदिश खेबुडकर, विजय तेंडुलकर, ग.दि. माडगूळकर, केशवसुत, आण्णा भाऊ साठे, वि.स. खांडेकर, ना. सी. फडके, शशी धरूर, सुधा मुर्ती इ. साहित्यकारांची उदाहरणे देऊन त्यांचे योगदान स्पष्ट केले. प्राध्यापकाने विद्यार्थ्यांमधले नको असलेले गुण काढून टाकले पाहिजेत. इंग्रजी विषयातील व्यवसायाच्या संधी सांगत असताना त्यांनी copy writing business, editorial assistant, magazines, copy writers, web content Manager, PPT specialization, social media manager इ. अनेक क्षेत्रातील संधीचा उल्लेख केला. गुलशन नंदा, चेतन भगत, रणजीत देसाई यांची उदाहरणे देवून चित्रपट व्यवसायातील संधीची माहिती दिली. शेवटी त्यांनी 'Read- know- express- then work is waiting for you' हा यशस्वी होण्याचा मंत्र सांगून आपल्या भाषणाची सांगता केली. या सत्रात डॉ. आर. जी. कोरबू हे अध्यक्ष होते. डॉ. अमिता कनेगावकर यांनी आभार मानले.

## द्वितीय सत्र

दुपारच्या जेवणानंतर द्वितीय सत्राची सुरुवात झाली. द्वितीय सत्रासाठी डॉ. उज्वल मुजुमदार हे व्याख्याते म्हणून लाभले. आपल्या व्याख्यानात 'Career opportunities in English Language' या विषयावर बोलत असताना 'career' (संधी) म्हणजे काय? हे सांगून आपल्या व्याख्यानाची सुरुवात केली. जीवनात यशस्वी होण्यासाठी प्रथम आपण आपले ध्येय निश्चित केले पाहिजे, नंतर आपल्या क्षमतांचा विचार केला पाहिजे, त्यानंतर प्रयत्न केल्याशिवाय कोणतेही ध्येय साध्य करू शकत नाही म्हणून भरपूर प्रयत्न करणे आवश्यक आहे. विद्यार्थ्यांनी स्वतःला इंग्रजी भाषेसाठी झोकून दिले पाहिजे. त्यासाठी स्पेलिंग, उच्चार, अर्थ, अभिव्यक्त करण्याची कला इत्यादीकडे विशेष लक्ष दिले पाहिजे. आपणास इंग्रजीमध्ये बोलण्याची सवय नसल्याने आपण मागे पडतो. विद्यार्थ्यांमध्ये ते सुप्त गुण असले पाहिजेत. रेडिओ, टी.व्ही. वरील बातम्या ऐकल्या पाहिजेत वर्तमानपत्र वाचले पाहिजे, इंग्रजी वाचनाची सवय वाढवली पाहिजे. इंग्रजीचं पुरेसं ज्ञान असणे आवश्यक आहे. ~~कईसम्प~~ इंग्रजी ही जगातील सर्व संधीच द्वार समजली जाते. इंग्रजी विषयातील संधीचा विचार करता त्यांनी teaching, media-radio, T.V., copy writing, anchor at different events, public relations officer, dictionary maker/writer, Indian civil services,

Translator इत्यादी क्षेत्रातील संधीवर प्रकाश टाकला. या सत्राचे अध्यक्षस्थान डॉ. अमिता कणेगावकर यांनी भूषविले.

### **A) Inaugural Session**

He also introduced Keynote Speaker of the seminar. The Keynote Speaker of Workshop was Prof.Dr. Jagan Karade Head, Department of Sociology, Shivaji University Kolhapur.

Dr. Karade thanked organizer of Workshop for choosing an important and useful topic. He said Media is means of communication between two or more persons and it has occupied an important place in the life of people. He opined that development of social media is an important milestone in the development of human society. The boundaries of social media are very wide can reach beyond natural and human limitations. He further said social media brought nation closer and entire world become one small village.

He narrated the link between social media and society and said the needs and requirements of society are reflected through social media. The very idea of development can be saleable to people through social media.

He concluded his speech by saying that social media is fourth wing of democracy and powerful means of solving problems of people. Therefore, those who own social media should gear their efforts towards this task. People also look at social media platforms as source of information or knowledge and entertainment. Today it is not exaggeration to say that the social media platforms are matter of life and death. The social media can act as mediator between government and society. The growth and development of healthy society depends on way in which social media platforms are used and operated. Digital literacy is need of hour.

### **SESSION ONE**

The Resource Person for the first session was Dr. S. G. Jadhav Assistant Professor, Department of Journalism and Mass Communication, Shivaji university Kolhapur. Prof. A. B. Kawade Associate Professor, Department of Commerce introduced the

resource person to the participants. Prof. S. G. Jadhav divided his speech into three parts. In first part he narrated the history and contribution of Indian media in arousing feeling of national movement in freedom struggle. He said it is misconception spread among people that media has conferred excessive rights in using freedom of expression. He said Indian Constitution has given everyone same right of freedom of expression. Therefore, every individual and media should use freedom of expression carefully. The provisions of Indian IT act also applicable to freedom of expression.

In second part he explained how rise of social media after advent of Internet in 1995 has started growing like wild fire but he also cautioned that today social media in our country is manipulated and misused. Its misuse is so fast and wide that almost all aspects of human life is affected badly today. In case of electronic media there are checks and balances at every stage but in case of social media there are no checks and balances. Fake news, misinformation and rumours are spread through social media causing group and community violence and crime.

In his last part he concluded his speech by advising students that they should not be carried away by social media. The positive or negative effects of social media depends on how individual responds to social media.

## Report of a one-day seminar on 'Climate Change'

One day seminar on the topic 'Climate Change' was organised by Psychology Department in D D Shinde Sarkar College under lead college scheme , D R K college of commerce cluster on 15/01/2022. Mrs. Madhuri Shinde, President of Saraswati Shinde Education Society, Mr. Prathamesh Shinde, Representative of the Society, Mr. DN Desai, Principal of the College, all teachers, non-teaching staff and students were present.

Everyone participated via the online link. Ms. Vishwashree Patil welcomed everyone in the online webinar. Inaugural speech was given by Dr. Amita Kanegaonkar. The main concept of the seminar was explained by Dr. PR Pawar. This was followed by the Presidential Address by the Principal of the College, Shri DN Desai.

### I SESSION

Mr. Deepak Devlapurkar (Chairman Janswasthya Dakshata Samiti ) was the lecturer for the first session of this seminar. He gave speech on 'Importance of Environment'.

Mr. Devlapurkar said at the beginning of the lecture that he will try to present what he has learned from experience. Just as medicine is taken quickly after falling ill, it does not happen in the case of the environment. Environmental health being neglected. The population grew but the land did not. Air, water and sky are being polluted on a large scale. Rising temperatures will melt the ice and can drown the entire city. Global warming is causing extreme changes in the climate.

We can beautify the environment with even the smallest things. Instead of expecting the garbage to be picked up by the Gram Panchayat or the Municipal Corporation, it can be used to make compost at home. A cloth bag can be used instead of plastic. With proper vehicle speed control and proper maintenance, air pollution can be reduced.

Mr. Devlapurkar said that the Janswasthya Dakshata Samiti is working against spitting. "I am not a teacher or a professor but an active student," he said. He said that while he was producing fruits and vegetables at home, he could hear the melodious sound of birds.

Ms Vishwashree Patil introduced the resource person. Prof. Vijay Patil gave vote of thanks.

## II SESSION

Dr. Adinath Gade, Assistant Professor of Geography, DR Mane College was the lecturer for the second session of this seminar. He gave lecture on 'Causes and Effects of Climate Change'.

At the beginning of the session, he explained the relationship between psychology and weather. He explained that the Indian subcontinent has a monsoon climate. Climate depends on air, water vapor and dust. We get 51% of the total surface heat of the sun. Explaining the effect of greenhouse gases on the environment, he said that man has been increasing the greenhouse layer. Carbon dioxide has increased by 30% since the beginning of the Industrial Revolution in 1750. Between 1901 and 2020, India experienced 19 droughts and 13 wet droughts.

He also explained the situation of el nino and la nina effects. He explained the effects of climate change on geographical variability and external climate.

In this session Ms Vaishnavi Pavar introduced the resource person. Dr. R Y Mane gave vote of thanks.

## III SESSION

The lecturer for the third session of the seminar was Mahesh Wagh, Assistant Professor, Department of Technology, Shivaji University, Kolhapur. He gave guidance on 'Energy Conservation for Sustainable Environment'.

He gave guidance on how to save energy. He gave guidance on how to save electricity while using various electrical appliances. He also gave guidance on how to generate electricity. He discussed how the supply of coal is declining and how we are going to face these problems in the near future. Saving electricity means saving electricity bill. He also spoke about energy audit. He gave information about the star rating in electrical equipment. Promoting the use of unconventional energy, he explained that energy can be used through solar heaters, solar community cookers, biogas.

## Report

**D. D. Shinde Sarkar College, Kolhapur under DRK college of Commerce  
Cluster**

Organized a One Day Online Workshop by Department of English  
On the topic **Film and Literary Adaptations**  
Monday 5<sup>th</sup> July 2021  
Time – 10 00 a.m. to 01.00 p.m.

### Inaugural session

The Webinar began with the introduction given by the Coordinator of the workshop Assistant Professor Swati Mane. She introduced the topic and stated about the importance of films and adaptations of literary works. She explained the objectives and significance of the theme of the workshop. After her brief introduction, Assistant Professor Vijay Kamble introduced the keynote speaker Dr. Babu Chandanshive (head of Department of Media and Communication Studies, New Arts, Commerce and Science College, Ahamadnagar)

Dr. Babu Chandanshive in his inaugural speech thanked organizer and co-coordinators of the webinar for inviting him as keynote speaker. Further, he stated about Fiction and Non-fiction works. He made clear that documentary comes under non-fiction and film and short stories come under fiction genre. He said that in the previous days Indian Cinema was based on historical and mythological concepts because at that time just historical and mythological literature were available. Thus, he stated that adaptation of various literary works in films was followed in previous period. He suggested listeners to read the book written by Vishwas Patil, in which he mentioned about adaptation in precise manner. Then he talked about three types of adaptation, known as literal adaption, faithful, loose adaptation. Adaptation changes in original literature. Film and novel can be compared by audience. Shakespearean dramas play important role in adaptation e.g. Othello was adapted in film Omkara. Cinema and drama play main role in literary transformation. Adaptation for fiction can be easily done but non-fiction is difficult to adapt in films. Biographical films are adapted from the books written on various personalities. But it is difficult quite. Original literature should be adapted. Script writer should adapt the life journey of personality precisely. He further said that during adaptation if main literature and its main concept are lost, then adaptation does not take place properly. Script writing should be made appropriately by the writer. Script writer should know proper tactics of adapting necessary literature. Dialogue writers

play important role here. He then mentioned his student, director of films such as Fandry and Sairat, Nagraj Manjule and explained that the language presented in the films should be local necessary. Film also contains nine kinds of interests of literature. Film is a gathering of many skills and talents. He then mentioned the elements of film making like pre- production, production, and post production where one edits the film. According to him director is main in the process of adaptation. He said that Novel or literature should be studied properly and then to be adapted. He also described the length of short film, which is according to him should be of 40 minutes. If it exceeds than 40 minutes then it is called as a film. Thus, he concluded his session by presenting the general ideology of adaptation.

Vote of thanks of this session was given by associate professor Dr.P.R. Powar. Of D.D. Shinde Sarkar College. He shortly explained what Dr. Babu Chandan Shive Sir mentioned in his session and ended the vote of thanks with gratitude for the information given.

### First Session

First session was started by Associate Professor B.N. Patil of Economics department of D.D Shinde sarkar college. He thanked coordinator and all the members of college for the opportunity of introducing the resouece person and then he introduced the resource person of the session : R.D. Dhamkle Sir. Dhamakle sir is known for Head department of English at New College Kolhapur. He had been in teaching profession for last 27 years. He taught both undergraduate and post graduate classes. He practiced many research papers in national and international journal, seminars, and conferences. His areas of interest are comparatively literature and post colonial literature. He is an activist, he worked as a secretary of Shivaji University and teachers association for four years. He organized as well as led various organiazatiions for benefits of teachers as well as students.

R.D . Dhamakle sir started the session by thanking principal, coordinator and professors and the participants of lead college and other students for the opportunity of speaking on the topic. He greeted a good morning to everyone and began the session. He mentioned recent pandemic problems but also wished it should get over soon. He said adaptation is being used on this earth for many years. He mentioned man is social animal and so very special. He stated that in today's scenario along with food, shelter, and clothes; entertainment is also one of the

necessities of human being. He further stated that entertainment is the all time thing in our life. Meaning of entertainment is the ongoing response of audience on different art works.

e.g. Hamlet is still going on in theatre with differences in it. Every work of art makes us cry, or laugh. He mentioned that how human needs invent everything that suit to his lifestyle. Like inventions in cloths, inventions in food and cooking, inventions in technology. He briefly expressed history of Cinema by disclosing that first short story was launched in Paris in the year 1895. This started era of entertainment, art and technology. He claimed that in 1896 in India, Mumbai and Kolkata there were exhibitions of short films. From this Indian mind also started working on cinema. Father of Indian Cinema , Dada Saheb Falke produced a short film of just one minute named : Roptyachi Vat. He also expressed about why cinema is powerful and delivered a short note on it. He stated the importance of Cinema by saying that cinema breaks the daily routine and help us to engage in some other things other than work and daily routine. Accordingly he expressed that imagination is greatest power in any fields. It is root of all inventions. Then he mentioned two types of stories such as the story which is made in purpose of director and other member. Here we find total new story. On the other hand, the other form of story is where the audience is familiar with story through various books and literary works. He then claimed that literal, faithful, and loose kinds of adaptations as types of adaptations and briefly pointed it out. He also expressed his views on the nature of repetition. Where he said that pleasure of repetition is enjoyed largely by audience. Artists write about test , nature , love repeatedly.

Later he moved towards the point which made us clear that adaptation and controversies always go hand in hand as adaptations create controversies. Cinema being a large business always thinks of audience and their response. Audience compare between films and books or novels from which they are adapted. According to him, this is the main factor that the original content of literature is lost during the process. He made this more clear by giving the examples such as changes made in the movie Natasamrat , which was adopted from the drama written by V.V. Shirvadkar . he also stated that many biopics miss out the real journey of certain personality. Only some part of it is shown. Focus is shifted on the plots which claim to be attractive for young audience. Also the plays of famous playwright Shakespeare were converted into films was said by him. He further stated that many social issues and norms are also the subjects of such adaptation. He highlighted the point that many adaptations are not the complete work. Thus he pointed both positive and negative sides of adaptation.

He then focused on how the interest in drama is decreased as compared to that of in old period. Further he spoke about the advertisements and their attractive tag lines such as 'zindagi ke saath bhi, zindagi ke baad bhi'. He also traced on importance of imaginations and thinking as imaginations gave birth to many inventions. He again highlighted the point of controversies. At the end, he summed up the session and concluded the session with the information of imaginations, adaptations in film industry.

The vote of thanks for this session was given by Associate Professor Pandit Khadtare sir, English Department , D.D.Shinde sarkar college. He thanked Dhamakle sir for including all the aspects like changes in adaptation in his session and expressed gratitude for the inspiring the way of presentation.

She pointed that the same Gazal was uttered by actress Madhuri Dixit in the film Dhed Ishqia . Then she delivered a brief note on filming, film adapting, its broadcasting and adaptation of many literary works. The steps in the film making process were also presented by her. The steps were pondering, imagining, resources, types, television adaptation etc. She told that many Shakespearean plays as well as Homer's, *Iliad*, Classical Greek plays and myths were used in the adaptations.

Dr. Neeta Dhumal turned towards literary adaptations and pointed the each points very minutely and appropriately. The points uttered by her were Interpol and Elision, which invent new characters and stories, again interpretation as adaptation was given justice very aptly. The examples such as *The Scarlet Letter* were used to explain various key words. She also elaborated about good adaptation and some of its elements. ## Report of a one-day seminar on 'Digital India and Indian Economy'

One day seminar on the topic "Digital India and Indian Economy" was organised by Economics Department in D D Shinde Sarkar College under lead college scheme, D R K college of commerce cluster on 22/01/2022. Mrs. Madhuri Shinde, President of Saraswati Shinde Education Society, Mr. Prathamesh Shinde, Representative of the Society, Mr. DN Desai, Principal of the College, all teachers, non-teaching staff and students were present.

Everyone participated via the online link. Ms. Vishwashree Patil welcomed everyone in the online webinar. Inaugural speech was given by Dr. Amita Kanegaonkar. This was followed by the chief guest address by the Principal of the College, Shri DN Desai. After that chief guest speech was given by Dr. Ashok Banne. The main concept of the seminar was explained by Dr. Rahool Mane.

### I SESSION

Dr. Anil Wavare (Head Department of Economics, Chh. Shivaji College, Satara) was the lecturer for the first session of this seminar. He gave speech on "Digital India and Indian Economy".

He said, Digitalization has played a vital role in flourishing the Indian economy. The biggest example is the job opportunities created in the country for youth. In addition to the above, "make in India" drive has given an immense push to youngsters to start new start-ups and think of creative ideas to contribute to digitalization of India.

The government on its end is pushing and encouraging the Indian public to go cashless and reduce reliance on cash transactions. The purpose is to make us adopt digital payments. Digital transactions make us follow a legal path which is helpful to flourish the economy. Use of plastic money gives freedom as well as security to citizens of the country because it works on technical grounds. Digital payments will be helpful to the global world.

Dr. Rasul Korbu introduced the resource person. Ms Vishwashree Patil gave vote of thanks.

## II SESSION

Second session resource person was Dr. Vijay Kumbhar, Head Department of Bank management, Dhananjayrao Gadgil College of commerce, Satara. He gave speech on "Digital India and Indian banking"

He explained, with digital transactions, one needs to have a proper bank account and essential documents. Banks are the part and parcel of our day-to-day life. Banking includes ATM transactions, online payments, and transfers. Because of the Digitalization of their processes, banks have saved costs and customers have been able to avail benefits such as ATMs, cashless transactions using Credit Card, Debit Cards, etc. Today, banks are going out of the way to adopt the latest technologies so as to enhance customer experience. Another marvellous example of digitalization is mobile banking where banking can be done on mobile phones. The feature allows you to literally operate your bank account from your mobile phone. Digitalization in Banks has not only reduces human errors and save time but has led to cashless transactions which have reduced circulation fake currency in the market. Thereby, leading to a positive impact on our economy.

Prof. B N Patil introduced the resource person. Ms Vishwashree Patil gave vote of thanks.

## III SESSION

Third session resource person was Dr. Rasul Korbu, D D Shinde Sarkar College, Kolhapur. He talked about "Digital India and Service Sector".

He explained, Services are invisible in nature. There is no physical product but services are rendered to people. Digitalisation has the most impact on service sector as digitalisation of services improves their effectiveness to a large extent. It fastens the processes and activities and leads to better satisfaction among customers due to increased ease in availing these services. The impact of digitalisation on some of the services in India are Information Technology, aviation, banking and finance, electricity sector, infrastructure, telecommunications and E-commerce. E-commerce sector is growing at a rapid rate as the whole thing is based on digital equipment, processes and techniques. Digital enhancement is the utmost requirement for e-commerce to grow. Availability of wide range of products from

food to clothing to jewellery to electronics to home furnishing, etc., cash on delivery, easy returns, etc. has spiked the interest of shoppers in online shopping. Healthcare industry benefits by digitalisation in the form of bill payments, keeping records of patients, tracking files, discussing cases with other doctors, getting treatments from far away situated doctors, availability and procurement of medicines online, free consultation services, etc.

The service sector contributes the most in the overall GDP of the country, though the manpower employed in the sector is quite less compared to other sectors. If more efforts are put in the growth of the sector, the resulting development of the economy will also be huge, registering the country from the developing economies to developed economies.

Meghana Kavale introduced the resource person. Ms Vishwashree Patil gave vote of thanks.
