7.1.3 (3) Clean and green Campus Initiatives by the Institution:

Our institution promotes the activities such as planted the medicinal plants, shrubs, small trees, plants of flower in the space available in our campus. Through such initiatives we try to keep our environment clean and green at our level best.

Clean And green Campus Initiatives:

7.1.3 (4) Beyond the campus environmental promotional activities:

Our institution is located in the heart of the city. So, every year in the month of June or July our college conducted the tree plantation activity at Sontali, Rajputwadi, Dist: Kolhapur. Instead of it our NCC and NSS units are busy in the work of watering those plants and taking care of it. It is the great environmental contribution of our institution.
